John-William Middletown Smith has, during his 48 hour personal investment into the LEADER.foraday project over 2 years, demonstrated:

- Ability to lead and coach under pressure
- Capacity to engage on top of fulltime high School program at Borupgaard Gymnasium
- Determination to complete a voluntary contribution in benefit of his local community.

John-William's role was to coach a team of six elementary school children over eight games during Furesø Kommune's & Allerød Kommune's Kidsvolley School Tournaments in March 2016. John-William motivated his team members to develop individual skills as well as team goals. In his preparation for this challenge, John-William completed an introduction to leadership, including:

- Lead to High Performance & Happiness Conference, featuring speakers Mikael Trolle, highperformance.dk and Lars Ginnerup, CPHLeaning.dk
- Leadership Coaching workshop, led by Mogens W. Brolin, TEAMbrolin.dk
- Workshop on people profile and leadership types, led by Lars de Fries, InsightsDanmark.dk
- Seminar on Old Values in a Disrupted World, led by Bodil Fogh Hansen, bodilfh.dk
- Workshop on Presentation skills, led by Lis Petersson, LifeCoach.dk
- Leadership Conference at DONG Energy, featuring Thomas Dalsgaard, DONG and Jacob Døring, JCI.dk
- Debating teqnic workshop led by Emma Nathalie Lydolph-Nielsen
- Conflict Management & Prevenson Workshop, led by Charlie Lywood, ssp.furesoe.dk
- Communications Workshop, led by Lis Petersson, LifeCoach.dk
- Sports Tournament Coaching Workshop, led by Martin B. Brolin, TEAMbrolin.dk.

LEDER.foraday, www.LEDER.forendag.dk, is organized by TEAMbrolin for participating high schools in municipalities such as Furesø Kommune. The published purpose of the initiative is to introduce the leadership role and voluntary work to students during large scale sportsevents.
